## **Owner Etiquette**

Dog Parks are NOT a place for young puppies (less than 4-5 months in age)! Yes, socializing your puppy is one of the most important things you will ever do, but the dog park is not the place to do it! Dog Parks can be dangerous, scary, and overwhelming for the little guys, perhaps giving your pup a life-long problem with other dogs. Please, socialize your puppy safely among peers in a supervised "puppy kindergarten" setting.

### **Make Your First Visit Without Your Dog**

Familiarize yourself with the posted rules and how the park works.

### **Know Your Dog**

Not all dogs like meeting new dogs. If your dog has not regularly interacted with other dogs, find out how he will react before forcing him to meet lots of unfamiliar dogs. Invite a few mellow dogs over to your friend's big yard to play. Check for obedience schools that offer socialization classes for adult dogs. Be sure to socialize puppies (8-16 weeks of age) at a puppy kindergarten class. Early socialization is one of the most important things you will ever do for your dog!

The first few times you take your dog to a site, choose a time that is not busy. Weekday evenings are peak times. Weekends and holidays tend to be busy. The first visit can be a little stressful for both you and your dog, so keep it short and happy. Gradually work your way to longer visits.

### **Observe Posted Park Rules**

Complaints about you or your dog threaten the success of these sites. Remember, dogs must be leashed upon entering and leaving the off-leash area. Please know and follow the rules!

### **Let Your Dog Off Leash Upon Entering**

Mixing leashed and unleashed dogs can be an explosive situation. Leashed dogs, and their humans, often display body language and behavior that is threatening to the free dogs and may provoke them to be "snarky" and defensive in return.

### **Keep Walking**

Walking defuses defensive behaviors and helps keep the off-leash area a neutral territory. This means your dog is more likely to pass by another dog with just a "Sniff-Sniff" rather than a "Stare-Down". Avoid the temptation to stand around and chat or to sit down at the tables. When folks congregate, many dogs may become protective of their people and their space, making scuffles more likely to occur.

### Dogs Have Different Play Styles

Educate yourself about dog behavior. Behavior that concerns some dog owners may simply be a rambunctious play style. Always respect another dog owner's wishes if they are not comfortable with how your dog is interacting with theirs. Simply move to another part of the park for a while. Leash up and leave if your dog is acting in an aggressive manner or having a bad day (All dogs have 'em!).

### Prevent Injuries

Closely supervise your dog. Do not reach in to break up fighting dogs. Instead, squirt the dogs in the face with your water bottle or distract the dogs by throwing a jacket on them.

### You Are Responsible For Injuries Caused By Your Dog

Under Pennsylvania law, a dog owner is liable for injuries and damage inflicted by their dog. Watch your dog carefully! If your dog injures a person or a dog, give your name and phone number to the injured party. Report to law enforcement authorities any handlers who refuse to take responsibility for damages/injuries and who are endangering the safety of others. Record their license plate number if possible.

### Keep The Area Safe And Clean

Pick up trash, cigarette butts, and litter. Pick up an orphan poop. Don't let your dog dig holes. Leave the site better than you found it! It's the small gesture multiplied by dozens of daily visitors that makes these sites successful.

### Pick Up After Your Dog

Thousands of dogs visit the park every month. Those who don't pick up ruin it for the rest. Most of all, nobody likes to look at or step in poop. Be courteous and use common sense! Bring extra plastic bags to help maintain the poop bag supply for poop removal and carry out an extra bag or two.

### Be a Responsible Dog Owner

Keep licenses and vaccinations up to date, spay or neuter your dog, train your dog in basic obedience, educate yourself about dog behavior (many books, magazines and websites are available).

**Release of Liability**

I hereby acknowledge that I voluntarily have applied to participate and use, with my dog(s), the Conshohocken Riverside Dog Park ("CRDP"). I understand that the act of unleashing my dog(s) and being physically present inside the "CRDP," necessarily involves risks of injury to me, other people, my dog(s) and other dogs, which risks are entirely my responsibility. I expressly assume all these risks. I further understand that dogs, irrespective of their training and usual past behavior of characteristics, may act or react unpredictably at times based upon instinct of circumstances, and I agree to assume that this risk may result from aggressive, vicious and dangerous dogs, which may be present in the "CRDP." I further understand and assume the risk that not all dogs present in the "CRDP" have received the Rabies vaccine as required by law and that not all dogs using the "CRDP" have been vaccinated for Distemper or Parvo all of which could result in injury to me and my dog(s). Additional risks include, but are not limited to: dog fights, dog bites and injuries to humans and other dogs; dog theft or unlawful capture; dog escape over or under fences; plants and/or water sources in the park may be poisonous to dogs; park vegetation may have burrs or seeds that could become tangled in a dog's coat or lodge in a dog's feet, ears, nose or eyes; mosquitoes, ticks, chiggers, fleas or other insects may be present; wild animals such as skunks, raccoons, opossums, or stray dogs could be present in the park, all of which might injure or infect your dog(s). I understand and expressly assume all additional risks.

It is my understanding that no agent or employee of the Borough of Conshohocken will supervise the "CRDP" at any time. I further understand that the Borough of Conshohocken nor any other group associated with the CRDP assumes liability for loss, damage or any kind of injury sustained by any human or dog while using the "CRDP." I therefore expressly assume all risks associated with using the "CRDP," as well as fixtures and equipment located therein, in an unsupervised manner.

By signing this release of liability and using the "CRDP," I hereby fully and forever release and discharge the Borough of Conshohocken, its employees and agents from any and all claims, demands, damages, rights of action, or causes of action present or future, whether the same be known or unknown, anticipated or unanticipated, resulting from or arising out of my use or intended use of said "CRDP" premises, facilities or equipment. I fully and forever release and discharge the Borough of Conshohocken, and its employees and agents from any and all negligent acts and omissions in the same, and intended to be legally bound by this release.

I have carefully read this release of liability and understand and fully agree with its contents. I also have read the rules for use for dog owners and thoroughly understand that dogs, which display aggressive behavior, will permanently lose membership privileges.

By signing below, I acknowledge that I have read and understand the rules and regulations set forth by the Borough of Conshohocken in regards to the "CRDP". This is a release of liability. Do not sign if you do not understand or do not agree with its terms.
